ESTERNI AUTOMEZZI

1 SUMMER

Degreaser for wheel rims

A product which is ideal to remove any residues of insects from the body, windshield, bumpers and alloy wheel rims. Thanks to its special formula it doesn't alter the conditioned parts and it doesn't leave any haze and residues.

Tank 10Kg 25Kg

2 WASH PH L / M

Car shampoo

A car shampoo indicated for manual cleaning. It's safe and delicate on every kind of paint and is effective against smog and greasy soils. Its surfactant content is highly foaming and produces a strong foam which dissolves dirt and promotes complete cleaning.

Tank 10Kg 25kg

3 H 98 MIX 2

Scented alkaline foaming det.

A scented liquid detergent that is particularly effective against heavy soils and removes stains from trucks, cars, buses, tarps, alloy wheel rims and external surfaces. This product is rinsed with ease and doesn't leave any residues.

Tank 10Kg 25kg

4 STRONG STAR

Alkaline foaming detergent

A potent foaming detergent for all car surfaces both internal and external. It has superb detergency with great substrate compatibility. It quickly removes insects residues, grease, oil and petrol.

Tank 10Kg 25kg

5 SPUMA

Neutral foaming detergent

A potent foaming detergent suitable for generating foam in automatic and manual automotive washing facilities. In these facilities it is used as an additive to manually reclean the most soiled parts (car doors, fenders) before sending the vehicle into the car wash tunnel. Its neutral pH doesn't attack any kind of paint even during hot seasons.

Tank 10Kg 25kg

6 WAX WASH

Car shampoo with shining wax

A product with a high concentration of particular chemicals that build-up a persistent foam and also leave shiny surfaces. Furthermore, it casts an antistatic film which shields the surface from environmental agents and prevents the redeposition of dirt.

Tank 10Kg

7 WAX LR EXTRA

Self drying wax for car wash

A hydrophobic cationic microemulsion which guarantees brilliance to the car body and quick drying. It dries the car by breaking the veil of water cast by the final rinse. It leaves a protective film on the car body which restores its original brilliance.

Tank 10L 25L

8 WAX MAGIC

Self drying wax

A hydrophobic cationic polymeric wax which works even with hard waters or with recycled water. It is effective against white residues and haze on the car body. It dries the car by breaking the veil of water cast by the final rinse. It leaves a protective film on the car body which restores its original brilliance.

Tank 10L 25L

9 NERO GOMME

Tire shine

A glucose based shine which, thanks to its sugary content, is adsorbed by the tire, leaving a long lasting shine on the tire.

Tank 12Kg 25Kg

ESTERNI AUTOMEZZI

10 HV 2000
Biphasic Alkaline degreaser

A detergent effective even against the hardest to clean of soils. It's specifically designed to clean trucks, cars, buses, tarps, alloy wheel rims and external surfaces of every vehicle. It easily dissolves and removes oils, grease, carbonized residues, dust and smog. It also leaves a protective film on the treated surfaces, blocking further soiling of the surface. It leaves shiny and bright surfaces.

Tank 10Kg 25Kg

11 H 98 FRESH
Scented degreasing detergent

A scented detergent able to degrease trucks, cars, buses, tarps, alloy wheel rims and external surfaces of every vehicle. It easily dissolves and removes oils, grease, carbonized residues, dust and smog. It also leaves a protective film on the treated surfaces, blocking further soiling of the surface. It leaves shiny and bright surfaces.

Tank 10Kg 25Kg

12 H 98 STRONG
Degreasing detergent

A detergent effective even against hard to clean soils. It's specifically designed to clean trucks, cars, buses, tarps, alloy wheel rims and external surfaces of every vehicle. It easily dissolves and removes oils, grease, carbonized residues, dust and smog.

Tank 10Kg 25Kg

13 SPOILER
Shine for bumpers

A product which formula shines and polishes plastic bumpers of cars, trucks, RVs, buses. It doesn't stain with grease and resists multiple washes and is long lasting.

Tin can 5L 20L

14 CK 99
Polishing descaling detergent

A highly concentrated descaling detergent which also polishes surfaces. It's ideal for cleaning the externals of containers, train wagons (especially after long stays on railway environments), trucks, tractor trailers, tanker trucks, stainless steel tanks, aluminum sideboards, chassis, alloy wheel rim and generally metal surfaces.

Tank 10Kg 25Kg

15 MOTORCLEAN H
Water engine cleaner

A water based engine cleaner that removes heavy duty soils. It doesn't damage metal, paint and plastic parts.

Tank 10Kg 25Kg

16 GUIZZO GLACIAL
Windshield det. with antifreeze

A product designed to not freeze down to -30°C and to clean most dirt (grease, dust and smog). This detergent is essential in keeping clean windshields when temperatures drop below zero.

Tank 25Kg
Box 3x4Kg

17 CHEMICAL
Acid descaler

An acid descaling product which removes hard water scale and cement from concrete mixers, barnacles from wooden or metal ship hulls, heating coils, dishwashing machines, etc.

Tank 10Kg 25Kg

18 PERFUME LINE
Air fresheners

Our perfume line consists of essential oil based perfumes with powerful deodorant properties that completely neutralize the source of bad smells. They ensure a persistent pleasurable effect that lasts for several days. These liquid deodorants have a pleasant fragrance that eliminates the smell of tobacco smoke, waste, drains, molds, etc. They are intended to be used with the automatic diffuser which can has a dedicated charger or a set of batteries.

Box 6x50ml 6x750ml

INTERNI AUTOMEZZI

1 GRAZER L / LP / LMV

Car dashboard shine

A product specifically designed to shine and protect surfaces made of synthetic materials, plastic and leather. It's great for car dashboards and bumpers. It's hydro repellent properties protect metal from moist and environmental agents. It doesn't leave any haze.

Tank 10Kg
Box 6x1l

2 GRAZER SPRAY

Car dashboard shine

This product has a lubricating action. The evaporation of its solvents promotes absorption on metal, facilitating the penetration of the product on the conditioned parts. This product is suited to lubricate parts which undergo strong mechanical stress, pressure or impacts such as: hinges and joints, gears, drive chains, sliding tracks, etc. It also has a great anticorrosive function.

Box 24x600ml

3 TERGLASS

Hydro repellent detergent

Due to its innovative formulation, this product, generates a compact foam with enhanced detergency and casts a hydro repellent film with delays the next cleaning operation.

Tank 25Kg
Box 6x750ml 3x4l

4 AIRSANY CAR

Single use sanitizer

This product has been specifically formulated for small environments both domestic and industrial. It neutralizes bad odors caused by microorganisms and foul-smelling organic substances. It eliminates bad odors caused by tobacco smoke and pets. It freshens spaces. It is ideal to quickly and thoroughly sanitize the interiors of cars, buses, trucks, RVs, offices, hotel rooms, gyms, locker rooms, etc.

Box 12x200ml

5 DIVET

Multipurpose degreasing det.

A scented concentrated detergent capable of dissolving all kinds of dirt. This product is non flammable and is safe to use on every kind of metal, plastics, vinyl, leather and all washable surfaces.

Tank 10Kg 25Kg

6 PERFUME LINE

Air fresheners

Our perfume line consists of essential oil based perfumes with powerful deodorant properties that completely neutralize the source of bad smells. They ensure a persistent pleasurable effect that lasts for several days. These liquid deodorants have a pleasant fragrance that eliminates the smell of tobacco smoke, waste, drains, molds, etc. They are intended to be used with the automatic diffuser which can has a dedicated charger or a set of batteries.

Box 6x50ml 6x750ml

7 MOCAP L

Scented detergent for carpets

Liquid shampoo with suspensive action specifically designed for swift and perfect cleaning of rugs, carpet floors and upholstery fabric. It can be used by hand or with a carpet cleaning machine.

Tank 10Kg 25Kg

8 MOCAP L FOAM

Scented dry foam carpet cleaner

A dry shampoo with suspensive action specifically designed for swift and impeccable cleaning of carpets, carpet floors, upholstery fabric. This product is intended to be used with a dry foam carpet cleaning machine.

Tank 10Kg 25Kg

9 DEO SANIFY F / L

Sanitizer deodorant

Thanks to a new generation formula, this product has a dual action. It is an excellent deodorant/sanitizer and also is a formidable acaricide and bactericide.

Box 6x750ml 3x4Kg

1 MOTORCLEAN H
Water engine cleaner

A water based engine cleaner that removes heavy duty soils. It doesn't damage metal, paint and plastic parts.

Tank 10Kg 25Kg

2 DA 8456
Degreaser for high temp tanks

A heavy duty detergent for heavy car workshop grease, ink streaks caused by mechanical parts from earth-moving machinery, aluminum and other metals. This product easily dissolves in water and doesn't leave any films or residues on the cleaned parts. It's excellent in high pressure washing machines, rotating basket machines.

Sack 10Kg 25Kg

3 MOTORCLEAN K
Degreaser

MOTORCLEAN K is a liquid degreaser which dissolves grease and sludge. It's particularly indicated to clean disassembled mechanical parts up for inspection.

Tin can 5L 20L

4 DEVAX E
Polymer wax remover

A detergent specifically designed to remove waxes, specifically protective copolymers adsorbed on factory new vehicles, heavy vehicles, agricultural machinery, trailers, recreational crafts. It contains inhibitors that won't damage paint and plastic parts.

Tank 10Kg 25Kg

5 DETERFLU PURO
Permanent fluid for radiators

This permanent fluid is based on inhibited ethylene glycol which guarantees excellent protection of hydraulic systems from freezing and corrosion.

Tin can 5L 20L

6 SPOILER
Shine for bumpers

A product which formula shines and polishes plastic bumpers of cars, trucks, RVs, buses. It doesn't stain with grease and resists multiple washes and is long lasting.

Tin can 5L 20L

7 DEMINERALIZED WATER

Demineralized water is ideal for car wet-cell batteries, radiator tanks, liquid cooling systems with antifreeze and windshield washing. This product prevent the formation of hard-water scale and encrustations.

Tank 25Kg
Box 3x4Kg

8 ECORANGE
Natural degreasing solvent

A natural degreasing solvent for industrial applications, able to dissolve soils without damaging any surfaces. It's effective on glues.
